The rustic, elegant 2-story log cabin provides a place to connect with nature, a retreat from urban life to take a moment to recognize what truly makes you happy. The expansive patio with its stone fire pit and incredible views sets the stage for relaxation, contemplation, s'mores and stargazing. Breathtaking 360 degree majestic views sweep across hills, valleys and include distant views of the sparkling Pacific Ocean. Two parcels totaling 127.75 acres allow for privacy, but still with possibilities for other structures. Explore all that Carmel Valley and the Monterey Peninsula have to offer or just snuggle into your very own quiet Paradise! Come to stay, you won't want to leave!
