DESCRIPTION

Centrally located in the sunbelt of Pebble Beach within a short drive to World class golf courses, the equestrian center, the town of Carmel-by-the-Sea, and many beaches. Breathtakingly sited on a hillside overlooking the Pacific Ocean, Casa del Cerro is a stunning coastal masterpiece. Its striking design, by acclaimed architect Mary Ann Schicketanz, embodies the California contemporary indoor/outdoor lifestyle with clean lines and light-filled spaces. The meticulously designed and exceptionally constructed home features gorgeous, wide-plank oak floors throughout and offers three en-suite bedrooms, a state-of-the-art kitchen, gracious living room, dining area, family room, media area, two offices and an elevator to the second-floor master suite. 10 ft. sliding glass doors reveal a modern, covered courtyard; the outdoor patio and fireplace is just a few steps away. The 1.15-acre property is fully fenced and tucked away privately in a grove of mature Cypress and Pine trees, and impeccably landscaped featuring stunning Agave plants. Casa del Cerro invites you to discover repose in the heart of Pebble Beach.

Square footage, acreage, and other information herein may have been received from a variety of sources and has not been verified. If important to buyers, buyers should conduct their own investigation.
