DESCRIPTION

LIFESTYLE... LOCATION... PRIVACY... VIEWS... The magic and awe of our exquisite California Coast, well-defined by our own Monterey Peninsula, becomes very real and personal on the ridge above Point Lobos. Secluded and surrounded by parkland, you'll find Point Lobos Ridge Estates, minutes to Carmel-by-the-Sea. Behind the gates on near eight perfectly sited acres this Schicketanz designed dream house is a magnificent blend of rustic and modern. The home captures the world-class views of Carmel Bay, Carmel Beach, Pebble Beach and beyond from the equally expansive entertaining patio and outdoor kitchen patio, and from virtually every room in the house. Four bedroom suites, including the master, afford comfortable living for all. Enjoyed by celebrities, CEO's of Fortune 100 companies and families who've been swept away by the beauty of it all.

Square footage, acreage, and other information herein may have been received from a variety of sources and has not been verified. If important to buyers, buyers should conduct their own investigation.
