PROPERTY DESCRIPTION

Fabulous Craftsman style, single story home awaits its new owner! Enjoy periodic views of whales in the Bay from the kitchen nook, living room and outdoor patio high top. Exposed wood, plastered walls, large windows and stained glass give the home a charming elegance. The architecture is highlighted by an open floor plan, high ceilings, and wooden accents throughout. The primary suite has a large comfortable seating area by the fireplace and oversized jetted tub. Each bedroom features French door access to an inviting central patio perfect for relaxing around the natural gas firepit or soaking in the new hot tub. Thoughtfully landscaped with a mixture of hardscape and water-efficient softscape, the plants, shrubs and trees maximize home and yard privacy while leaving plenty of parking and access to the 2-car garage. Fenced backyard with electronic driveway gate provides security and room for pets to run. Lots of upgrades and improvements have been made to this warm and welcoming home.
