PROPERTY DESCRIPTION

Talk about a quintessential Carmel Cottage! This beautiful 3-bedroom, 2-bath home, circa 2010, appeals immediately! Rounded archways, dark wood floors, a centerpiece fireplace, wood beams and decorative pillars highlight the living room. Eye-catching leathered granite counters, stainless appliances and large bay window with garden views, plus a plethora of storage cabinets, many with pull-out drawers, make this a dream kitchen for both cooking and entertaining. The primary suite includes a walk-in closet, walk-in shower, travertine floors, sandstone counters and French doors to the courtyard. Nicely separated bedrooms allow for privacy while the inside laundry room and one-car garage, each with built-in cabinets, provide even more storage spaces. Relax by the fireplace, enjoy the outdoor spaces or head out to explore the area. Mere minutes to downtown Carmel with its shops, restaurants, the Sunset Center, the beach and ocean, walking trails and so much more, this Carmel Charmer offers it all!

Square footage, acreage, and other information herein may have been received from a variety of sources and has not been verified. If important to buyers, buyers should conduct their own investigation.
