Wonderfully private, Country English cottage overlooks the sanctuary preserve, Santa Lucia mountains and all the way down the Valley. The living room is bright and sunny with big windows & skylights, hardwood floors, high beamed ceilings and large fireplace. The kitchen with Calacatta quartz counters has two 30 inch Sub-Zero refrigerators, a separate breakfast nook with patio access and the dining room is light and bright with patio and garden access. Lovely, private back patio and gardens as well as a private front patio allow you to enjoy sunshine from morning to late afternoon....all this and only steps to the beach and the famed Scenic Road.
