PROPERTY DESCRIPTION

Close to Carmel Valley Village sits this single level Stone Post & Flower rustic style home with unpretentious organic warmth. Its perfect for a weekend getaway or a full time residence where you can escape the rush of the world. When you enter the home you immediately feel a sense of calm with its gorgeous redwood interior that showcases round posts approx. 36 inches in circumference up to the equally gorgeous crossbeams in the vaulted high ceilings. Framed within the redwood are wall to wall windows allowing tons of light and lovely vistas. Focal point is the cozy stone fireplace with intricate wood work designed to emulate a flower petal. The large front yard, with beautiful oaks, has a big redwood deck and is fully fenced for optimum privacy. Beyond the architectural beauty of this home is its quiet Robles del Rio neighborhood, mostly year-round sunshine and close proximity to the "meadow" and short walk to the charming village with wonderful restaurants, wine tasting and shops.

Square footage, acreage, and other information herein may have been received from a variety of sources and has not been verified. If important to buyers, buyers should conduct their own investigation.
