PROPERTY DESCRIPTION

Located in Pacific Grove's desirable Candy Cane Lane and set back from the street, this craftsman style home exudes quality throughout. The high caliber construction is evident immediately upon entering the home. The open floor plan enjoys high ceilings and a wall of windows overlooks the tranquil and private deck complete with an outdoor shower and hot tub. The living area features a beautiful stone fireplace surrounded by built-in shelves. The kitchen has sleek black granite countertops and high-end stainless steel appliances. Downstairs there are also two spacious guest bedrooms, two bathrooms and a laundry room. The primary guest suite and sitting room are found upstairs and there is a peak of the Bay from the deck off the spacious bedroom. There is also a detached garage with access from the back alley. This is an understated rare find in America's last hometown.

Square footage, acreage, and other information herein may have been received from a variety of sources and has not been verified. If important to buyers, buyers should conduct their own investigation.
