Rarely available in downtown Seaside within the gated community of The Virginian. The Virginian is a development of 10 homes, not condos, with attached 2-car garages. The homes were built to offer 2 master suites; one on the ground floor and the other upstairs. The living room's stone wood burning fireplace keeps a cozy vibe throughout the home. The balcony located off of the living room expands the livable footprint for family & friends or to enjoy your morning coffee. Centrally located to downtown Seaside with its restaurants and Del Monte Beach, its easy to feel comfortable in your shoes by getting around town on foot or bicycle.

Square footage, acreage, and other information herein may have been received from a variety of sources and has not been verified. If important to buyers, buyers should conduct their own investigation.
