A SPECIAL CARMEL ESTATE

Casabella is truly one of the most special historical homes in Carmel. Built in 1929 and recently remodeled with all of the new materials and conveniences, but in keeping with the charm and ambience of its history. The home sits on an oversized, gated lot that is a few blocks to both town and the beach. Beautiful hardwood floors, high beamed ceilings, arched solid wood doors and cubbies and alcoves of yester-year are throughout. Both the home and the separate casita open out to several brick patios and gorgeous gardens. In addition there is a wine cellar that reportedly has some fun history! Top this all off with a 2-car garage, that in itself, is unusual in Carmel.
