This beautiful York Hills home was thoughtfully updated with quality finishes and abundant storage. The open kitchen is packed with every feature an at home cook could imagine. With radiant heat floors, jetted tub, shower, and dual vanities, the primary bath is your personal spa. The style of the primary closet is sleek and the storage is unmatched. There are two additional guest bedrooms, a bonus room/office, and a three-car garage. Lush landscaping and views of rolling green hills surround the back patio.

*Square footage, acreage, and other information herein may have been received from a variety of sources and has not been verified. If important to buyers, buyers should conduct their own investigation.*
