PROPERTY DESCRIPTION

This delightful true Mid-Century Modern home offers all from the era that is enjoyable. An extraordinary renovation showcases open-beamed ceilings, a wall of floor-to-ceiling windows in the living room, a Carmel stone fireplace and a garage addition. Featuring a kitchen with room for entertaining, generous storage and an abundance of natural light, there's easy access to a firepit patio. A secluded primary suite provides space and light and two comfortable guest bedrooms are situated for maximum privacy. Finished inside with stone elements, hardwood floors and hand-finished beams, the outside is likewise designed just as thoughtfully. Easy-care landscaping allows both humans and pets to have their own places and spaces to enjoy.

Square footage, acreage, and other information herein may have been received from a variety of sources and has not been verified. If important to buyers, buyers should conduct their own investigation.
