PROPERTY DESCRIPTION

Originally built in 1933 by Comstock Associates, this model home was on display at Devendorf Park and moved to its current location on Torres between 8th and Ocean Avenue in 1934. It is now offered for sale for only the third time in its 91 years. The home has been in the same family since 1986. Sited on an oversized 6,000 square foot lot with full sun exposure, the property enjoys a large garden enclosed by an idyllic picket fence. The original home was added on to in 1959 and then again in 1994, yet the characteristic charm of Comstock remains with the open beamed ceilings, a copper fireplace mantle and parquet white oak floors. This single level home is just a short stroll to downtown and a step back into the bohemian past of Carmel's yesteryear.

Square footage, acreage, and other information herein may have been received from a variety of sources and has not been verified. If important to buyers, buyers should conduct their own investigation.
