PROPERTY DESCRIPTION

Conveniently located just one block to downtown Carmel-by-the-Sea, this two bedroom, two bathroom single-level home is centered around a private courtyard. French doors, a stone fireplace, high ceilings and beautiful gardens are just some of its charming details. There's approved permits for a kitchen and bathroom remodel designed by Kitchen Studio of the Monterey Peninsula. Valid through November, these plans open the design up to create a desirable great room concept. Whether you prefer to take over the current plans or make more modest updates, this is a delightful cottage with a detached one-car garage and multiple outdoor spaces to enjoy this sunny Carmel-by-the-Sea neighborhood.

Square footage, acreage, and other information herein may have been received from a variety of sources and has not been verified. If important to buyers, buyers should conduct their own investigation.
