PROPERTY DESCRIPTION

Welcome to the Chimneys condominium community in the heart of Carmel-by-the-Sea. Quiet and well maintained, these condos are always in high demand and rarely available. Even better, this two bedroom, two and half bathroom condo has been beautifully remodeled over the past year. Featuring newly updated kitchens and bathrooms, there is nothing left to do but move in and enjoy Carmel-by-the-Sea. As spacious as a single family home, but less worry with a well organized HOA to take care of the rest. The main level features an open floor plan with vaulted ceilings, a gorgeous fireplace, gourmet kitchen, pantry and a powder room. Downstairs, there are two spacious bedrooms, two full bathrooms with luxurious finishes in each plus a closet with a full sized washer and dryer. There are also two deeded parking spots in the lower level garage and extra storage. It doesn't get much better, or easier, than this in-town pied-à-terre.
