PROPERTY DESCRIPTION

Completely renovated contemporary home with high ceilings and open floor plan with great flow of space from great room to dining area to the open Kitchen. Light and bright in every room with large windows and skylights throughout the house. Soothing color palette invites comfort and relaxation. Primary Suite is the only bedroom on the 2nd floor with a large balcony overlooking a greenbelt. Excellent location very near MPCC clubhouse and Dunes Course, walking paths to Spanish Bay, Moss Beach & the 17-Mile Drive. Solar panels plus two Tesla battery walls provide electricity for cars and power in the event of an outage - unused energy is paid back monthly with PG&E credits. The private backyard offers a large deck perfect for sunning and dining while the patio features a large fire pit with built-in benches, a golf hitting net and overhead rope lights perfect for nighttime entertaining. This is a great opportunity for a turnkey, updated home close enough to hear the waves crashing on the beach. Ready to make this home yours!

Square footage, acreage, and other information herein may have been received from a variety of sources and has not been verified. If important to buyers, buyers should conduct their own investigation.
