PROPERTY DESCRIPTION

Not a step in the house this single level Quail Lodge residence borrows a little Palm Springs Chic style from the curb to the courtyard and all the way in. Inviting you in without even a toe-kick of a threshold to overstep is a tall and grand great room where your living, dining and kitchen interact as one yet still offering places and spaces well separated for all to enjoy. Walls of windows and French doors let the light in and your eyes out to the private and sheltered rear yard. Offering a well separated primary suite with private and serene patios on two sides, a spacious guest bedroom and another that could be den, there is an abundance of closets and storage both inside and in the two-car garage. Stylistically renovated and reconstructed in 2002 the timeless finishes of stone floors, counters and cabinets endure with a feeling of luxury and comfort to enjoy. Bordering a unique slice of greenbelt just far enough away from the course of play so not to be bothered by the stray shots or errant play. Surrounding the home on all sides, the grounds are architecturally designed with river rock accents, large stepping pathways and an amazing selection of easy-care ornamental trees, shrubs and planting that would make the botanists within you take delight.

Square footage, acreage, and other information herein may have been received from a variety of sources and has not been verified. If important to buyers, buyers should conduct their own investigation.
